MEET  CENTRAL™

Android for Meet Central™ Timers

*New for Summer 2018, Meet Central is now compatible with Android and iOS within the same swim meet! Compatibility for Android has been added to the Timer role for devices running **Lollipop (Android 5.1.1) and higher.***

Due to the massively extensive list of Android devices, we cannot test them all! Here is specific list of recommended devices:

Note: There are many late-model phones of high quality not listed. As long as they run 5.1.1 or higher, they are compatible, we simply have not tested every manufacturer/model. Using recognized manufacturers is suggested, including Samsung, Motorola, Alcatel, LG, HTC, and Google.

Preferred List

Samsung Galaxy J3 Luna Pro
Samsung Galaxy J3 Sky
Samsung Galaxy J3 Duos
Samsung Galaxy J7
Samsung Galaxy S5 (and higher)

Motorola Droid Turbo & Turbo 2
Motorola E4 (E4 Plus)
Motorola G4 (G4 Plus)
Motorola G5 (G5 Plus)
Motorla X (X4)
Motorola Z & Z2 (Force, Play)

Secondary List

Alcatel A30
Alcatel A50
Alcatel Ideal 4060A
Blu Advance 5.0
